Dear Mr. Alexander:

Please accept this formal letter of thanks for your outstanding support of the Boys & Girls Club of McAllen Annual Gala. Your contribution will go a long way towards offering positive alternatives to a host of negative influences and pressures facing today's youth.

Through your support, we have raised over \$150,000 for programs which benefit the 5,000 members who use our facilities. These programs are directed towards providing positive and constructive activities to all the young people who attend the Club after school and during the summer.

Once again, thank you so much for caring and for making youth a priority.

Sincerely,

Dear AHA Friend:

On behalf of the American Heart Association and the *2001 Heart and Soul* Gala committee, THANK YOU for your generous donation of a \$1000 Airtime Card, valued at \$1,000.00 to the Auction. Our event this year was a great success.

Without your support the advances in cardiovascular disease prevention would not be possible. As the Heart Gala continues to grow, we hope that you will continue your interest and support in years to come.

This letter will serve as your receipt for your donation. In compliance with current I.R.S. regulations, this is to acknowledge that no goods and services have been provided to you in exchange for this gift.

Again, our sincere thanks for your effort in making the *2001 Heart and Soul* Gala a successful event.

Thank you for the opportunity to join my colleagues and members of The Partnership to learn more about the issues and concerns of the Valley. It was a pleasure to tour the various sites to see what has been accomplished and to learn what is left to be done.

I look forward to working with your delegation to obtain the needed facilities to provide affordable health care, increase opportunities to provide quality public education while promoting economic growth throughout the area.

Thanks for an excellent conference and the wonderful gift.

Special Olympics Texas

Rio Grande Valley - Area 1

February 25, 2001

On behalf of Special Olympics Texas and the over 1,700 athletes that we serve in Area 1, thank you for your personal support in the ***"2000 Gold Medal Club Sponsorship Annual Campaign"***. These funds are to be utilized by Area 1 to conduct Olympic-style athletic events.

Special Olympics is fully funded by private donations, and receives no state, federal or Kennedy Foundation funding, and is not a United Way agency. It is because of the generosity of individuals like yourself that we are able to continue to provide a quality, year-round, sports training and athletic competition program for our athletes.

Once again, thank you for choosing to make a significant and lasting difference in the lives of citizens with mental retardation!

Dear Ray:

Thanks to you and others, the Valley Legislative Trip February 1-4, 2001 was a huge success. Even though we had some wet, cold weather, the Legislators knew how badly we needed rain and it did not hamper us one bit.

Those who had never been to the Valley were very impressed with what they saw and the friendliness of our people. Those who had been to our area before stated that every time they come, we show them something different and they learn more about the Valley each time.

They were really appreciative, and each one wanted your name and address, so you may be hearing from some of them directly.

Thanks again for helping make the trip such a positive event for the Rio Grande Valley.

Dear Mr. Alexander,

I would like to thank you for helping to sponsor the legislative visit to the beautiful Rio Grande Valley. The visit was both enjoyable and very informative. It was a privilege to meet and interact with the people that live in the valley.

It was interesting to see the challenges that face the people and the resources that are available to meet those challenges. I now realize that the obstacles that face the people in the valley will affect the state as a whole. I could feel a tremendous spirit of cooperation present at the conference that I wish we could send to the rest of the state. Again, thank you for sponsoring the trip.

I would like to express my sincere appreciation for your interest and support of The University of Texas-Pan American and the Bronc Athletic Foundation. Your recent generous gift of \$2,500 to benefit the Bronc Athletic Foundation is most greatly appreciated.

As you may know, the Bronc Athletic Foundation supports the fourteen different UTPA sports programs, including our men's and women's basketball and golf teams, and our men's baseball team, among others. The Foundation provides scholarships, books, academic assistance, and other needed projects and financial aid to UT Pan American student-athletes each year.

Again, let me thank you and KGRV-TV for your continued support of UTPA and our students.

Dear Mr. Ray Alexander,

I want to express my sincere thanks and appreciation for your \$15.00 donation to sponsor the **VideoMaker** magazine for use at **Module 8--Video Production**. You have made it possible for my students to have the latest information about technology related to your business and to our instruction.

If you would happen to have old editions of any magazines and periodicals, used by your firm, please send them to me at the above address.

I encourage you and your guests to stop by and visit our new Technology Systems laboratory to see what we have. Just check in at the front desk, ask for me and they will show you to my lab. I am looking forward to seeing you again.

Junior League of McAllen, Inc.

Dear Mr. Ray Alexander:

The Junior League of McAllen, Inc. would first like to thank you for supporting our organization. And next we have an exciting announcement for our Advertising Sponsors and the community. We will again have the opportunity to distribute the Bougainvillea Spring Magazine through **The Monitor** on Sunday, April 1, 2001. Over 25,000 copies will be distributed in the McAllen, Edinburg and Mission area. This circulation will not only increase your visibility in the market, but also demonstrates to your customers and potential customers that you are taking an active role to improve the quality of life in our community through your sponsorship with the Junior League of McAllen.

In light of this modification, we will discontinue printing the Summer and Fall issues of the Bougainvillea Magazine. We are confident you will understand the need not to print these issues in light of the mass distribution during our two high-profile events, Dias Festivos Marketplace and Symphony in the Park.

Your generous contribution of \$2,000.00 has assisted many worthwhile programs and organizations. Our team efforts of "*Building a Stronger Community Together...One Project at a Time*" include:

- ◆ Avance-Rio Grande Valley
- ◆ Texas Special Olympics
- ◆ Nikki Rowe High School Physics Class
- ◆ McAllen Boys & Girls Club "Project Learn"
- ◆ Mujeres Unidas – Children program
- ◆ RGV American Cancer Society – Camp Discovery
- ◆ RGV Easter Seals – Childcare program
- ◆ RGV Food Bank – School Tools program
- ◆ American Lung Association – Valley SuperKids Asthma Camp
- ◆ South Texas Lady Broncs
- ◆ Palmer Drug Abuse Program
- ◆ Travis Middle School – Environmental Club
- ◆ ABC Grants to Teacher of MISD
- ◆ College Scholarships
- ◆ Girls State

This year has been monumental; we are proud of our heritage and accomplishments. Enclosed is your Charitable Donation Substantiation Form. Should you have any questions and/or comments regarding the form or the changes with the Bougainvillea Magazine, please call me at (956) 493-3861 or at the League office, (956) 682-0071.

Again we are sincerely grateful for your generous support and faith in the Junior League of McAllen.

FOUNDATION
OF TEXAS

July 12, 2000

Ray Alexander
General Manager
KRGV TV, Channel 5, Weslaco
900 E. Expressway, Box 5
Weslaco, TX 78596

Dear Ray,

On behalf of the directors of the Freedom of Information Foundation of Texas, thank you amount of for your recent contribution of \$300.00.

In addition to our other services including the FOI Hotline, the annual state conference, seminar series like Responsible Rights: Government in the Sunshine and Education for Freedom in Texas, the *FOI FOCUS* newsletter, the *Texas FOI Handbook*, the FOIFT's curriculum for teachers, speakers bureau and legislative activities, the Foundation is excited to tell you that it has just kicked off The First Amendment Institute.

The Foundation was inspired to take this course of action in view of several recent studies by organizations such as the *Chicago Tribune* and the Freedom Forum which indicated that the First Amendment is very misunderstood, quickly compromised and might not even be ratified by the states if it went to a vote today.

The Institute will work annually with a group of 25-50 selected applicants who want to seriously study in depth the importance and application of our First Amendment, its relationship to freedom of information and implications for our democracy. Application to The Institute is being made available to all the citizens of Texas in all walks of life and in various fields and will meet quarterly around the state for one and one half days. The charter class begins in January of the year 2000, the beginning of the new millennium.

Participants will work with a faculty of experts in the First Amendment regarding the law, journalism, civics, and social studies in order to explore the history, and philosophical underpinnings of the concepts protected by the First Amendment. It will deal with current issues in addition to past history. After a year of intense study, graduates of The First Amendment Institute will enter the new era of the 21st century with a greater appreciation of their rights and why it is so vital to protect them. In the end, it is the hope of the FOIFT that after such an intense immersion into First Amendment thought, the participants feel more comfortable standing up against those who might restrict little by little our First Amendment rights as well as the right to access public information. Call us if you'd like to know more about this exciting new project.

Please allow us to help you at any time should you have an access problem or question, and let us know of freedom of information issues which come to your attention.

And, thank you again for your generous support. We couldn't do it without your help.

Dear Mr. Alexander:

Thank you and KRGV-TV for your most generous gift of \$2,000 to our Greater University Fund. As you well know, this fund provides important unrestricted funds that allow us to meet special needs not funded by the state appropriations.

Your time, energy and resources – and that of KRGV-TV – are very important to us as we make a college education available to all our citizens. Your dedication and support of our university are to be commended.

Thank you for being such a great friend to UT Pan American.

Sincerely,

Dear Channel Five:

I would like to congratulate you and your staff on your hard work in helping Hidalgo County register citizens to vote.

I know you have worked hard in the past in giving citizens of Hidalgo County an opportunity to register to vote and it is great that you are able to continue providing this service with the use of the "voter van."

Best wishes for continued success.

Sincerely,

Dear Mr. Alexander ,

Thank you for your recent donation to the Palmer Drug Abuse Program. Through your support, PDAP can continue to offer alcohol and other drug abuse counseling free of charge to hundreds of desperate families in this community. Most of these families could not afford to pay for the services they receive without your help.

PDAP provides a place where young people can feel they belong, such as a place to hang out, play and talk to counselors. We offer counseling, meetings activities and retreats to retreats to teach and support them as they move through difficult time in their life. Teenagers and young adults learn to believe in themselves, to solve problems and how to have fun without the use of alcohol or other drugs. Parents learn new skills to deal with their children move effectively and, more importantly, they learn that they are not alone.

At a time in their lives when young people and their parents need all the support they can get , it is critical that there are as few roadblocks as possible between them and a healthy and productive life. Thank you for being a very important part of the solution in these families' lives.

Dear Mr. Alexander ,

Just as we close the book on the 2000 4th Annual Dinner and Auction, we would like to take this opportunity to thank you for donating the advertising package to our fund-raiser. Your contribution added to the success of this event. Not only were we able to raise a significant amount of funding for our program, the evening itself was very delightful. While Rio and Reyes from B-104, the masters of ceremony, provided comical moments, Bean Ayala, our local auctioneer, eagerly and successfully encouraged the audience to bid the maximum for the cause they had come to support.

Thank you again for your commitment and dedication. We look forward to seeing you again at the next Palmer Drug Abuse Program Annual Dinner and Auction.

Dear Mr. Alexander,

Mr. Tim Smith, the Chief Weather Forecaster of your station, visited our Academy this past Tuesday and delivered a superb class to over 90 Geography students in Peacher Hall Auditorium. Our Geography teachers have told me that the 50-minute presentation was outstanding and our students gained much weather knowledge, were most attentive, and thoroughly enjoyed this class. They are now devoted fans of Tim Smith and KRGV-TV.

This Academy has been fortunate to have Tim visit and lecture here during the past eight years. He was named an "Honorary Cadet" and holds a special status among all members of my staff and faculty. Please convey our thanks and sincere appreciation to Mr. Smith for a job well done.

Dear Ray,

Thank you for your generous gift in support of Zoofari 2000 and the Gladys Porter Zoo. The Directors of the Valley Zoological Society appreciate your continued support and donation of the production of Zoofari commercial, airtime schedule, Millionaire gifts and VIP passes for 'Who Wants to be a Millionaire'. Your donation was auctioned during one of our Zoofari events.

The Zoo opened in 1971 and through the years we have improved our facilities, as well as maintained our status as one of the top Zoos in the world. This has been accomplished through its conservation and education programs. The Zoo provides a safe, recreational, family-oriented, environment for the community; and is also home to over 350 species of animals. This has been accomplished through the efforts and hard work of many. We are blessed with a dedicated staff, always willing to go the extra mile to help our Zoo family. We also have many volunteers who work for this wonderful cause.

The proceeds from this year will be dedicated to all of our animals. Please make plans to join us for our next Zoofari as the Zoo celebrates its 30th anniversary.

Once again, thank you for your donation. Since you received no goods or services in return for your gift and the Valley Zoological Society is a 501-C3 tax exempt organization, your donation should be considered fully deductible for income tax purposes.

Sincerely,

Dear Mr. Alexander:

Thank you for contacting me regarding low power FM radio.

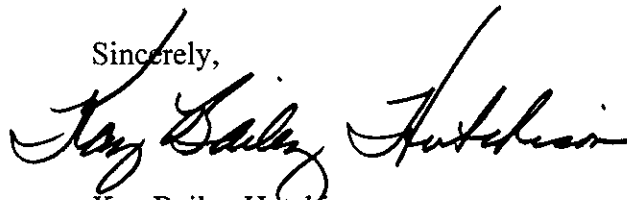

As you may know, the FCC has proposed a new low power class of service that would open opportunities in radio broadcasting for new entrants. The FCC contends that authorizing low power services will facilitate "community radio" designed to serve currently unmet local informational needs from broad communication coverage.

This proposal raises legitimate concerns about interference on the radio spectrum. I expect the FCC to adopt sufficient interference protection measures so that existing radio service will not be adversely affected.

I support the House of Representatives legislation on this matter, and expect there to be negotiations between Senate and House members to iron out the differences between the respective approaches.

I appreciate hearing from you on this matter and hope you will not hesitate to contact me again.

Sincerely,

Kay Bailey Hutchison

Dear Mr. Alexander:

On behalf of Easter Seals Rio Grande Valley, its Board of Directors and the families we serve I thank you for your support of our Annual Dinner honoring Bobby Pulido as Humanitarian of the Year.

This year's Annual Dinner celebrated 48 years of service to children and adults with disabilities; and because of your generosity we will continue enabling physically challenged children and adults to reach their highest level of independence in the places that they live, learn, work and play.

As we approach the holiday season and the new millennium, we wish you and yours the very best...and a wonderful New Year.

Sincerely,

Your generosity to the Knapp Medical Center Foundation has once again made the Harvest Night charity auction a success. This was due in part to your donation for commercial air-time at rate card which you valued at \$1,500.

You share in the progress and advancement at Knapp Medical Center through the KMC Foundation grants which provide health care education and equipment.

Please accept my sincerest thanks and the thanks of the KMC Foundation Board for supporting our major fund raising endeavor, Harvest Night.

Dear Mr. Alexander,

Please allow me to take a few moments of your time to express my appreciation for allowing my Communications Systems students and myself to tour your television studios on December 5th and 6th. The fact that you allow your employees to spend valuable time to conduct these tours shows the value you place on educating our area's future leaders.

Please extend my thanks to Michelle Martone for her expert guidance and assistance during both our morning tours. She went to great lengths to accommodate us and answer all the questions my students asked during the tours. Her thorough knowledge of the equipment and processes involved with all aspects of television production were quite evident. The information regarding upcoming digital broadcasting and its associated costs and impact was of special interest to my students. You are lucky to have individuals like her as part of your organization.

Please do not hesitate to call, write, or e-mail me at the address, phone number, or e-mail address listed on my letterhead if there is anything I can do for you.

Dear Mr. Alexander

The American Diabetes Association and the Upper Valley Council would like to thank you for your dedicated support. With your contribution, we were able to have a successful "Starry, Starry Night Gala" event. This year the Gala was the best ever and we are looking forward to next year's event. Our Gala was held Saturday, October 21, 2000 at the McAllen Country Club. With the support of your business, our efforts were successful.

Your participation was greatly appreciated and was well utilized. The funds raised stay in the Valley and are used for education and research. The Upper Valley Council alone sponsors sixteen support groups throughout the Valley, serving hundreds of people.

The outreach program DAR (Diabetes Assistance and Resources) goes into the community and teaches about diabetes and healthy nutritional habits to prevent its development. Research to find a cure for diabetes and to avoid its devastating complications continues.

Despite our efforts, the Valley has the second highest incidence of diabetes in the nation. Thank-you for helping us reach out to those affected by this silent killer.

Our sponsors and supporters made this a successful fundraising event. Please help us conquer diabetes. On behalf of the thousands of people affected by this disease here in the Valley, please accept our profound gratitude.

Until there is a cure,

Dear Mr. Alexander:

The Rio Grande Valley Livestock Show Board of Directors, the Buyers Committee and Allen Johnson, the Buyers Committee Chairman, would like to thank you again for being a member of the Champs for Champions Program.

Enclosed you will find a new brochure for the up coming year. The brochures have been reprinted due to a printer error. Some of our Champs Members were not included on the one you received previously. Only current Champs members received the brochure and will receive a letter similar to this one. We apologize for the printer's mistake and assure you that no one else has received the brochures.

We are also enclosing a Champs for Champions apron in appreciation for your past membership and hope you will continue to support this program. This year the program will give 16 scholarships totaling \$22,000.00 and purchase most of the champion projects at the Sale of Champions on Saturday, March 17th, 2001.

Thank you again for your help and support of the Champs for Champions Program.
